**STARS CLUB APPLICATION**

Please submit the signed form to Ms. Wilson

To parents/guardians:

Your student is applying to be a member of the BAMS STARS Club. Our mission is to encourage peers to make responsible choices by providing education and support for issues that include drug, alcohol, and tobacco use, mental health awareness, etc. and to encourage a positive and healthy climate at BAMS. We sponsor or co-sponsor awareness events/health enhancing activities throughout throughout the year including Red Ribbon Week, Bams Grams, Mental Health Awareness Month, etc. Students who apply should be eager to positively impact their school community and bring with them a passion for action!

In order to attend after school meetings, students must have a signed permission slip. All meetings end at 4:00 PM and a parent/guardian **MUST** be present for pickup at that time. *Repeated tardiness to pick up participant could result in suspension from the club.*
