The background of the entire slide is a deep blue underwater scene. It features silhouettes of various marine life, including several sharks of different sizes swimming in the upper half, a large manta ray in the top right, and a sea turtle swimming in the bottom right. Numerous smaller fish are scattered throughout the water. Sunlight rays filter down from the top, creating a serene and slightly hazy atmosphere. The overall color palette is monochromatic, using various shades of blue.

Objective: Students will be able to identify the components of PRIDE and how it relates to oneself and our school community.

Warm-Up:

Reflect on the quote above.

How does this connect to our school community?

BAMS PRIDE
2023-2024

Do You Have PRIDE?

- Our school goal is for all students to be recognized for the positive contributions they make to our school everyday
- Today we will look at the process we will use to recognize those positive behaviors
- We will be looking for Panther PRIDE
